JUURNAL

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 4 August 1964

25X1	The Director, accompanied by Emmett Echols and John Warner, met with Senator Ressell for approximately 40 minutes concerning the proposed new building for our printing facilities, our 1965 appropriation and our retirement bill. (See Memorandum For The Record for details.)
25X1	Lundahl and Warner, met with the CIA Subcommittee of House Armed Services. (See Memorandum for the Record.)
25X1	Affairs Committee, telephoned indicating that Mrs. Kelly had asked him some questions concerning jurisdiction of Government agencies in connection with subversive activities with U. S. citisens abroad. I indicated to Westphal that Mrs. Kelly had met with an Agency representative early this morning posing some questions which are obviously related to his discussion. It was agreed that we would get together and coordinate our responses to Mrs. Kelly.
25X1	Edna Kelly (D., N. Y.) to the Office of the Director. I met with her and received her request for certain information concerning activities of individuals within her congressional district. The information will be discussed with CI Staff and appropriate reply made back to Mrs. Kelly. (See Memorandum for the Record for details.)
25X1	Mr. Jack Matteson, Chief investigator, House Foreign Operations and Government information Subcommittees, requested that I come by in the morning to review a complaint made to Mr. Moss concerning FBIS publications. As stated previously, the complaint appears to be that the Blue Book, which is classified Official USE ONLY, and the White Book are contradictory.

25X1

Senator Kenneth B. Keating called and asked if we could give her the most recent unclassified figure on the number of Soviet troops in Cuba. After checking with Mr. Lehman in OCL, I advised Mrs. Piotrow that the most recent open reference on this was by General Wheeler in January of this year to a reserve officers' meeting in which he used the figure 4,000 to 7,000. I advised Mrs. Piotrow that we considered this to be a reservable order of magnitude.

25X1

I delivered the Director's letter to Mr. Camen who directed that a copy be provided to each member of the Committee so that he might meet with them on this matter during the coming week. Mr. Camen indicated that he preferred to retain the letter himself and would not need our facilities for safekeeping. He indicated further that he would be meeting again with the Agency as soon as possible but did not commit himself as to date. He indicated that there is a very heavy press of Committee business at this time.

in briefing Mr. Mahon on the above, he indicated he did not desire to keep a copy in his office but would like it made available to him at the time of the next hearing.

In briefing Mr. Bow, he indicated he did not care to keep such material in his office. He did request if possible, however, to meet with someone on Manday with regard to the item concerning communications facilities. He stated that the State Department had a fairly sixable item which will be coming up for mark up on Wednesday. He noted in particular a one million delier item for Fuerts Rican facilities in the

6. (Cont'd)

State Department budget. His interest would appear to be whether any duplication might exist. I stated that I would arrange a meeting for the Congressman, Mr. Clarke, and myself on Menday if possible.

Mr. Ford indicated after reading the latter that he would appreciate a copy on Monday.

Mr. Sheppard's office was closed this afternoon. Attempt will be made to meet with him on Monday.
